(c) A charity fundraising event or events that do not involve special limited charitable games and the gross gaming receipts for which do not exceed twenty-five thousand dollars (\$25,000) per year.

However, at no time shall a charitable organization's total limitations under this subsection exceed twenty-five thousand dollars (\$25,000).

(2) Any charitable organization exempt from the process of applying for a license under subsection (1) of this section, shall notify the office in writing, on a simple form issued by the office, of its intent to engage in exempt charitable gaming and the address at which the gaming is to occur. Any charitable organization exempt from the process of applying for a license under subsection (1) of this section, shall comply with all other provisions of this chapter relating to the conduct of charitable gaming, except:

(a) Payment of the fee imposed under the provisions of KRS 238.570; and

(b) The quarterly reporting requirements imposed under the provisions of KRS 238.550(7), unless the exempt charitable organization obtains a retroactive license pursuant to subsection (5) of this section. Before the last day of each year, a charitable organization exempt from licensure under the provisions of subsection (1) of this section shall file with the office a financial report detailing the type of gaming activity in which it engaged during that year, the total gross receipts derived from gaming, the amount of charitable gaming expenses paid, the amount of net receipts derived, and the disposition of those net receipts. This report shall be filed on a form issued by the office. Upon receipt of the yearly financial report, the office shall notify the charitable organization submitting it that its exemption is renewed for the next year. If the office determines that information appearing on the financial report renders the charitable organization ineligible to possess an exemption, the office shall revoke the exemption. The organization may request an appeal of this revocation pursuant to KRS 238.565. If an exemption is revoked because an organization has exceeded the limit imposed in subsection (1) of this section, the organization shall apply for a retroactive license in accordance with subsection (3) of this section.

(3) If an organization exceeds the limit imposed by any subsection of this section it shall:

- (a) Report the amount to the office; and
- (b) Apply for a retroactive charitable gaming license.

(4) Upon receipt of a report and application for a retroactive charitable gaming license, the office shall investigate to determine if the organization is otherwise qualified to hold the license.

(5) If the office determines that the applicant is qualified, it shall issue a charitable gaming license retroactive to the date on which the exemption limit was exceeded. The retroactive charitable gaming license shall be issued in the same manner as regular charitable gaming licenses.

(6) If the office determines that the applicant is not qualified it shall deny the license and take enforcement action, if appropriate.

(7) Once a retroactive or regular gaming license is issued to an organization, that organization shall not be eligible for exempt status in the future and shall maintain a charitable gaming license if it intends to continue charitable gaming activities, unless the charitable organization has not exceeded the exemption limitations of subsection (1) of this section for a period of two (2) years prior to its exemption request.

(8) In order to qualify for licensure, a charitable organization shall:

(a) 1. Possess a tax exempt status under 26 U.S.C. secs. 501(c)(3), 501(c)(4), 501(c)(8), 501(c)(10), or 501(c)(19), or be covered under a group ruling issued by the Internal Revenue Service under authority of those sections;
or

2. Be organized within the Commonwealth of Kentucky as a common school as defined in KRS 158.030, as an institution of higher education as defined in KRS 164A.305, or as a state college or university as provided for in KRS 164.290;

(b) Have been established and continuously operating within the Commonwealth of Kentucky for charitable purposes, other than the conduct of charitable gaming, for a period of three (3) years prior to application for licensure. For purposes of this paragraph, an applicant shall demonstrate establishment and continuous operation in Kentucky by its conduct of charitable activities from an office physically located within Kentucky both during the three (3) years immediately preceding its application for licensure and at all times during which it possesses a charitable gaming license.

However, a charitable organization that operates for charitable purposes in more than ten (10) states and whose principal place of business is physically located in a state other than Kentucky may satisfy the requirements of this paragraph if it can document that it has:

1. Been actively engaged in charitable activities and has made reasonable progress, as defined in paragraph (c) of this subsection, in the conduct of charitable activities or the expenditure of funds within Kentucky for a period of three (3) years prior to application for licensure; and

2. Operated for charitable purposes from an office or place of business in the Kentucky county where it proposes to conduct charitable gaming for at least one (1) year prior to application for licensure, in accordance with paragraph (d) of this subsection;

(c) Have been actively engaged in charitable activities during the three (3) years immediately prior to application for licensure and be able to demonstrate, to the satisfaction of the office, reasonable progress in accomplishing its charitable purposes during this period. As used in this paragraph, "reasonable progress in accomplishing its charitable purposes" means the regular and uninterrupted conduct of activities within the Commonwealth or the expenditure of funds within the Commonwealth to accomplish relief of poverty, advancement of education, protection of health, relief from disease, relief from suffering or distress, protection of the environment, conservation of wildlife, advancement of civic, governmental, or municipal purposes, or advancement of those purposes delineated in KRS 238.505(3). In order to demonstrate reasonable progress in accomplishing its charitable purposes when applying to renew an existing license, a licensed charitable organization shall additionally provide to the office a detailed accounting regarding its expenditure of charitable gaming net receipts for the purposes described in this paragraph; and

(d) Have maintained an office or place of business, other than for the conduct of charitable gaming, for one (1) year in the county in which charitable gaming is to be conducted. The office or place of business shall be a separate and distinct address and location from that of any other licensee of the Office of Charitable Gaming; except that up to three (3) licensed charitable organizations may have the same address if they legitimately share office space. For the conduct of a raffle, the county in which charitable gaming is to be conducted shall be the county in which the raffle drawing is to be conducted. However, a charitable organization that has established and maintained an office or place of business in the county for a period of at least one (1) year may hold a raffle drawing or a charity fundraising event, including special limited charity fundraising events, in a Kentucky county other than that in which the organization's office or place of business is located.

For raffles, the organization shall notify the Office of Charitable Gaming in writing of the organization's intent to change the drawing's location at least thirty (30) days before the drawing takes place. This written notification may be transmitted in any commercially reasonable means, authorized by the office, including facsimile and electronic mail. The notification shall set out the place and the county in which the drawing will take place. Approval by the office shall be received prior to the conduct of the raffle drawing at the new location. Any charitable organization that was registered with the county clerk to conduct charitable gaming in a county on or before March 31, 1992, shall satisfy this requirement if it maintained a place of business or operation, other than for the conduct of charitable gaming, for one (1) year prior to application in a Kentucky county adjoining the county in which they were registered. Any licensed charitable organization that qualifies to conduct charitable gaming in an adjoining county under this paragraph, shall be permitted to conduct in its county of residence a charity fundraising event.

(9) In applying for a license, the information to be submitted shall include but not be limited to the following:

- (a) The name and address of the charitable organization;
- (b) The date of the charitable organization's establishment in the Commonwealth of Kentucky and the date of establishment in the county in which charitable gaming is to be conducted;
- (c) A statement of the charitable purpose or purposes for which the organization was organized. If the charitable organization is incorporated, a copy of the articles of incorporation shall satisfy this requirement;

No fewer than two (2) employees or members of the charitable organization who are involved in the management and supervision of charitable gaming, along with the chief executive officer or the director of the applicant organization, shall be designated as chairpersons;
- (h) The address of the location at which charitable gaming will be conducted and the name and address of the owner of the property, if it is owned by a person other than the charitable organization;

(i) A copy of the letter or other legal document issued by the Internal Revenue Service to grant tax-exempt status;

(j) A statement signed by the presiding or other responsible officer of the charitable organization attesting that the information submitted in the application is true and correct and that the organization agrees to comply with all applicable laws and administrative regulations regarding charitable gaming;

(k) An agreement that the charitable organization's records may be released by the Federal Internal Revenue Service to the office; and

(l) Any other information the office deems appropriate.

(10) An organization or a group of individuals that does not meet the licensing requirements of subsection (8) of this section may hold a raffle if the gross receipts do not exceed one hundred fifty dollars (\$150) and all proceeds from the raffle are distributed to a charitable organization. The organization or group of individuals may hold up to three (3) raffles each year, and shall be exempt from complying with the notification, application, and reporting requirements of subsections (2) and (9) of this section.

(11) The office may issue a license for a specified period of time, based on the type of charitable gaming involved and the desired duration of the activity.

(12) The office shall charge a fee for each license issued and renewed, not to exceed three hundred dollars (\$300). Specific fees to be charged shall be prescribed in a graduated scale promulgated by administrative regulations and based on type of license, type of charitable gaming, actual or projected gross receipts, or other applicable factors, or combination of factors.

(13) (a) A licensed charitable organization may place its charitable gaming license in escrow if:

1. The licensee notifies the office in writing that it desires to place its license in escrow; and

2. The license is in good standing and the office has not initiated disciplinary action against the licensee.

(b) During the escrow period, the licensee shall not engage in charitable gaming, and the escrow period shall not be included in calculating the licensee's retention rate under KRS 238.536.

(c) A charitable organization may apply for reinstatement of its active license and the license shall be reinstated provided:

1. The charitable organization continues to qualify for licensure;

2. The charitable organization has not engaged in charitable gaming during the escrow period; and

A licensed charitable organization shall expend net receipts exclusively for purposes consistent with the charitable, religious, educational, literary, civic, fraternal, or patriotic functions or objectives for which the licensed charitable organization received and maintains federal tax-exempt status, or consistent with its status as a common school, an institution of higher education, or a state college or university. No net receipts shall inure to the benefits or financial gain of an individual. Any charitable organization which permits its license to expire or otherwise lapse shall still be subject to the retention requirement. The following fees and taxes shall be excluded from the calculation of the percentage retained, retroactive to calculations made for calendar year 1999:

- (a) All fees paid to the office during the calendar year;

- (b) If the percentage retained is between thirty percent (30%) and thirty-four and nine-tenths percent (34.9%), the licensee shall be placed on probation for a period of one (1) year and shall be required to submit to the office a financial plan as described in paragraph (a) of this subsection. The office shall conduct a quarterly review of the licensee's activities to evaluate the licensee's compliance with its financial plan and its progress toward achievement of the forty percent (40%) threshold during the probationary period;

(d) If the percentage falls below twenty-five percent (25%) or if the licensee fails to attain the forty percent (40%) threshold for a second consecutive calendar year, the licensee shall have its license suspended for a period of one (1) year; and

(e) For purposes of paragraphs (a), (b), (c), and (d) of this subsection, periods of probation and suspension shall commence, unless appealed, from the date the office notifies the licensee of its failure to satisfy the retention requirement for the previous calendar year. (3) Any licensee that has had its license suspended under the provisions of subsection (2)(d) of this section shall be required to submit to the office an acceptable financial plan as described in subsection (2)(a) of this section, upon applying for reinstatement of its license. (4) Any licensee that has had its license revoked, has had its renewal application denied, or has had action initiated to revoke, suspend, or deny its license for failure to meet the forty percent (40%) retention threshold prior to July 14, 2000, may petition the office for reconsideration of its action or proposed action. Upon petition for reconsideration, the office shall apply the standards contained in subsection (2) of this section and shall adjust the license status of the petitioner accordingly. (b) Seize and remove from premises and impound charitable gaming supplies and equipment for the purposes of examination and inspection pursuant to an appropriate court order;

(c) Demand access to, inspect, and audit books and records of licensees for the purpose of determining compliance with laws and administrative regulations relative to charitable gaming; and

(d) Conduct in-depth audits and investigations, when warranted.

(3) (a) As used in this subsection, "willful" means that the conduct constituting the violation was committed with intent, not accidentally or inadvertently.

(b) The office may take appropriate administrative action against any person licensed under this chapter for any violation of the provisions of this chapter or administrative regulations promulgated thereunder subject to the conditions established by this subsection.

(c) The office may deny a license, suspend or revoke a license, issue a cease and desist order, place a license holder on probation, issue a letter of reprimand or letter of warning, and levy a fine. An administrative fine shall not exceed one thousand dollars (\$1,000) for each offense. The office may deny the issuance of a license or a license renewal if the applicant or licensee has failed to pay a fine levied by the office. The office shall by administrative regulation classify types of offenses and the recommended administrative action. The type of action to be taken shall be based on the history of previous violations and the nature, severity, and frequency of the offense. Administrative action authorized in this section shall be in addition to any criminal penalties provided in this chapter or under other provisions of law.

(d) 1. Notwithstanding any other provisions of this section, the office shall review, within two (2) months of receipt, timely filed organization quarterly reports that include payment of the fee due as reflected on the organization quarterly report. If the office discovers reporting errors that are not willful, the office shall, prior to taking any other administrative action, issue a letter of warning to the licensee and allow the licensee thirty (30) days from the issuance of the letter to correct the identified violation.

The purpose of this subparagraph is for the office to identify correctable reporting errors in a timely manner, and to notify the licensee of the errors prior to the due date of the next organization quarterly report so that the errors are corrected and are not repeated in subsequent organization quarterly reports.

2. A review conducted under subparagraph 1. of this paragraph shall not be considered an audit or final review and acceptance of an organization quarterly report and payment. The office shall have four (4) years from the date of filing to fully audit and review an organization quarterly report, and may pursue administrative actions against the licensee related to an organization quarterly report or the information reported on an organization quarterly report within the four (4) year period if violations or errors that are not willful are discovered. This subparagraph shall not be construed to require records that are not needed to audit or review an organization quarterly report to be kept longer than is required elsewhere in this chapter or in any related administrative regulations.

3. Notwithstanding the provisions of subparagraph 2. of this paragraph, for a violation that is determined to be willful, the office may pursue the administrative actions authorized by this section at any time.

- c. Identify the administrative actions that can be taken if the violation is not addressed; and
- d. Provide that the person shall have thirty (30) days to correct the action leading to the violation.

(4) The office may reinstate a license that has been revoked at any time after two (2) years from the date of revocation. A license may be reinstated only upon a finding that the violations for which the license was revoked have been corrected.

(5) All departments, divisions, boards, agencies, officers, and institutions of the Commonwealth of Kentucky and all subdivisions thereof, in particular local law enforcement entities, shall cooperate with the office in carrying out its enforcement responsibilities.

(6) The office shall report any activity or action which would constitute a criminal offense to the appropriate authorities in the county where the activity or action occurred and to the Attorney General.

(2) Upon receipt of an appeal, the office shall schedule the matter for an administrative hearing that shall be conducted in accordance with KRS Chapter 13B.

(3) Any provisions of KRS Chapter 13B notwithstanding, within twenty (20) days after the conclusion of a hearing, the hearing officer shall prepare and present to the executive director a recommended order based on findings of fact and conclusions of law. Within thirty (30) days of receipt of the recommended order, the executive director shall affirm, reject, or modify, in whole or in part, the recommended order and shall issue a final order. The final order shall be the final administrative action on the matter and a copy of the final order shall be mailed to the license holder, by certified mail, return receipt requested.

(5) A final order of the executive director may be appealed to Franklin Circuit Court in accordance with KRS Chapter 13B. If the license holder against whom administrative action is proposed does not request an appeal of the action, the office shall enter a final order imposing the proposed administrative action.
